## Two Delicious

Hey guys, thank you for the nice and sexy pictorial of Aiden and Brooke (*last issue* -- Ed). I like the softness of the two girls. These days, a lot of lesbian scenes are rough and full of spit, but these two seemed to like what they licked. And you know what the best part is, the kitchen. To set them up on the kitchen counter and have the se sex there, very nice move. So anyway, just wanted you to know and please feel free to let them know, too.

— Daniel, Santa Monica

## I Love Pink

Show me more, because I sure cannot get enough of Lauren in *FOX*. She's a cute sweetie with a naughty streak. The white lingerie is a nice touch for her tan skin color. And the pink, pink pussy looks so delicious and delectable, I could stick my tongue in it and never take it out. Unless I use it to lick her pretty little anal flower bud!

— Devin, Memphis

## Feet: Start Walking

I want to be a proclaimer and I'd walk 500 miles, or run or swim or bike, or... you get the idea... for Amia Miley. What a body on that girl. Boobs, ass and a pretty face make me squirm for her. And then there's that tight tummy that I would rest my face on as I sucked her brown nipples. And then I would rotate and work my way down to that sweet, moist pussy and I spend at least a half hour down there making sure she knew who was eating her out. And then... I'd roll her over and nestle my face in her gloriously round butt and stick my nose and tongue into her tight butt hole. I would wiggle it around until she squirms and finally cums, spraying her warm lady love juices all over me. Okay then, I'm ready to start walking cause I got a ways to go.

— Thomas, Toledo

## We Like Girls, Too

Girls, girls, girls. I love girls on girls, don't you. And I love watching girls who have fun licking and fucking other girls. I like guy on girl action and threeways, but damn, what could be better than two pairs of luscious lips kissing each other, and then watch them work their way down a smooth neck to find a round breast and hard nipple to suck and lick. Then, well you know what happens next, those lips work their way down a long belly to a smooth shaven pussy mound, or maybe there's a wisp if hair there, or even a full bush. But the pize is just below that to their wet puffy pussy lips and the love hole that gets penetrated by their tongues and fingers.

## LUST On A Bed!

Gracie hasn't been with a lot of female lovers. (Three, to be exact—one of which she barely remembers because she was drunk at a sorority party.) But she knows she wants to get her hands and lips on Celeste. "It was lust at first sight," Gracie says. "The moment I saw Celeste, I knew I wanted to eat her pussy. It was only a matter of time. Fortunately, she didn't make me wait long!" Celeste would reply, but she's face down in Gracie's muff, so her words are... well... muffled. We can wait.

.....

Over a year ago, my new husband – Bradley and I decided to sponsor a college level international student. His children had gone away after college and we just couldn't get over the emptiness in the house. After much discourse, we contacted the university with our request – a female, preferably from a Scandinavian country, because of our heritage. Within a month we were contacted with a choice of five young women and we selected Famka from Finland. She seemed very nice in her pictures and the bio said she was respectful, a good student, and a hard worker.

Three months ago Famka arrives at our door with the school's representative and a bunch of suitcases. We invite them in and sign the final paperwork. Famka is twenty and speaks English pretty well so we didn't have a problem communicating with her.

The school rep left and the three of us sat down for dinner. She said she had a long trip and would like to retire soon. After dinner we took her up to our daughter's empty room and left her alone to get comfortable. In the morning Famka came downstairs to the kitchen and said good morning. Since it was a Wednesday, Bradley had gone to work so it was just she and me. Over coffee she told me more about herself, her family and her schooling. She said was anxious to start school here in Boston. We chatted throughout the day as I helped her unpack and get her things in order. When Brad finally got home, they got more acquainted.

Last week Famka came home from class and looked exhausted. I asked why she felt so tired and she said she had stayed up most of the night studying and thought she didn't do very well on the

test. I consoled her as best I could and suggested that she go to bed and rest. We had dinner and she went upstairs without wanting dessert. The next day Bernie was off to work as usual and Famka stayed home because she had no classes. This was the first time she and I had really been alone since she came six months ago. Everyone had been busy doing their thing during the week and on the weekends, when she wasn't studying, we would take her into New York City or travel around so she could see our little corner of America.

One day, she asked if we could go shopping for some new clothes for her. She felt she needed a couple pieces of new underwear for the spring. We found a Victoria's Secret store and she was in underwear wonderland. Famka said she had heard of the store but back home it was too far away for her to go. I let her indulge in the satins and silks. She picked out a few things to try on and we checked out with several sets of bras and panties. Back at the house she wanted to try on her new purchases and show them to me. I sat on the edge of the bed and she went into the bathroom to change. She looked great and the clothes were a perfect fit. I complimented her on her choices and she giggled like a schoolgirl.

All of a sudden her attitude changes. She looks at me and starts to undo her bra clasp. I momentarily feel awkward and start to get up to leave. She says that I should stay and drops her bra to the floor. She rubs her breasts and asks if I would like to touch them. I say "NO!" but she says that they feel nice and firm and she would like me to touch them. By now I'm dumbfounded and don't know what to do. It's still a couple hours before Brad comes home so I'm stuck. Famka tells me to relax. "I know you're nervous but I found you very attractive the first time I saw you," she says. I tell her I'm old enough to be her mother. "That's okay with me," she says. "I like you a lot and I want you."

"Famka, I don't think this is right," I say.

"But it can be. Don't you like me?" she asks.

"You know I do. But..." I try to say.

"I can be much more if you let me," she interjects.

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down. She comes over to me and kisses me softly on my cheek and moves her face around to my

kiss my lips. I find myself responding to her kiss and I feel warm inside. Famka takes my hand and raises it to her breast. I cup it and raise my other hand to her other one. I cannot believe I am doing this. I don't know how to love a woman, but I find my face drifting down her neck to kiss her perfect breasts. My lips replace my hands as I gently but eagerly suck on her nipples.

She pulls my head tighter to her boobs as I move from one to the other. They are perfect 34 Cs with full areolas and great nipples. I reposition myself, breaking contact with her breasts, so she takes advantage of it to pull her panties off. She moves in to undo my blouse but I tell her I could not let her do that. She said she understood, but would I just do her. She has been away from home and did not like any of the boys or girls at her college. I felt a bit sorry for her plight so that made it easier for me when she came closer to me and sat on the bed next to me.

She said we should hurry because my husband would be home soon. I laughingly scolded her to stay away from him. She said she would because I was the one she wanted. As she lay back, she grabs my collar and pulls me down with her so my face ends up in her crotch. I say softly I've never done this before and don't know what to do. She laughed and said to do just what comes naturally and to think about what your husband does to you. Admittedly, my sex life with Brad has improved ever since the kids left home.

Now we have the house to ourselves and don't have to sneak off or do it late at night when they were asleep. Unfortunately, Brad doesn't give the best head, but he is always eager enough to try and please me. So I start by licking around her labia, finding my way to her clit she grunts and tightens her legs around my head. I do the best I can in the tight space. Her thighs loosen and I reach in and open her pussy lips so I can go in deeper. My tongue penetrates her hole and she arches her back. Even though it's only been a few minutes, I think I'm getting the hang of it. There's a familiarity to her genitalia from being a woman, so I know how much pressure to apply and what to do with my tongue.

Her clit is poking out and she begins to rub it as I lick lower down her opening. She lifts her butt up offering her butthole to me but for some reason I just couldn't go there. I did, however, insert my fingers into her pussy as she kept rubbing her clit. I started with one, then two, then four, leaving my thumb outside for leverage. She moaned louder as I found my fingers fucking her harder and harder. After a few minutes she screamed out in a frustration-releasing orgasm that I was taken aback by it a bit. Nonetheless, I helped her finish and gave her wet pussy a little you're welcome kiss. Famka falls back on the bed and smiles at me.

As I get up to straighten myself out, she reaches into her school backpack and pulls out a clear plastic double dong. I can't believe my eyes. She's come 5,000 miles for this? Is this what

she's learning in America? I am thinking about scolding her again. But she comes over to where I'm standing and starts to unbutton my blouse. I was so hot and frustrated from our previous session that I let her do it. And then my pants come off. She makes me lie back on the bed and puts one end into my mouth. I really don't care for the taste of plastic, but this was scented strawberry and I didn't mind it.

I'm laying naked on the bed and she is licking me. I have to close my eyes because I can't believe I'm in a lesbian love scene with a twenty year old Finnish student. I open my eyes and look down at this blonde head between my legs. The sensations of her tongue and fingers on my pussy are overwhelm-

**So I start by licking around her labia, finding my way to her clit she grunts and tightens her legs around my head. I do the best I can in the tight space.**

ing. Famka reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than Brad. My body shudders at its penetration. I look at her and she has positioned herself between my legs and is putting the other end into her. I sense our time is running out so I begin to pump it furiously, and she does, too. Our rhythm is perfect and within minutes we both cum... and it is great! She tells me how nice that was. Did I like doing it? I confessed that I did even though I didn't think it was right. She said that she wouldn't let it happen again. I told her to be sure that it didn't – with a big wink.

Fifteen minutes later Brad's home and I go to start dinner. I hear them in the living room talking about their day. A half hour later I say dinner is served. We finish and I offer dessert. Famka – with a big wink – passes, saying she had hers earlier.

# ELENA KRYSTAL

## Wet Dreaming!

Elena says she's not usually attracted to girls, but this chick was not only beautiful on the outside but the inside too. Anytime she'd see her at gym, she'd watch her ass as she used the elliptical machine. Elena says she would wear sunglasses when using the treadmill so she could check her out without moving her head. After weeks of innocent flirtation, she still wasn't sure if she was in to girls, but Krystal answered that.

## PINK on PINK!!

When I was asked to come down to the set after getting my make-up done, I said I was too tired and could they bring the camera's here so we could shoot on my futon. I love my futon and fuzzy slippers and especially my big pink vibrating dildo. I was excited, but still tired to fuck my vibe and so I took it nice and slow that day. I finally got off – and I think the crew got off too because I could see all the bulges on the guys around me.

**Bring It On, GIRLS!**

Sophia's currently joined at the labia lips with Krystal Steal, who is cumming like a freight train as she grinds her pussy against her friend's meaty clit. "Ahhh! I'm cumming again!" Krystal screams. "I can't stop cumming!" And we don't want you to. Gush proudly all over Sophia's pretty pussy. It's the right thing to do. It's nice when girls can cum together, put their noses to the vagina, and grind out some good, old-fashioned, sloppy-snatched pleasure!
